29 November 2006

Dear Sirs

Lymington New Forest Hospital PFI

Lymington Hospital was handed over as planned on Thursday 23 November 2006.

When accepting the building the Trust expressed their appreciation of everyone's efforts in delivering a quality building on schedule to such a high standard of finish.

The quality of finish has been constantly complimented on by everyone associated with the project and visitors alike and Rydon Construction would like to thank you for all your efforts in contributing to the success of the project.

Yours sincerely
Rydon Construction Limited
